Local businesswoman, Nicole Marino of Bigshot Lifestyle, has photographed and created a 2017 calendar called “Elegant Winery Ladies of Napa Valley.”

The calendar features the story of each notable woman with an accompanying photo.

Elegant Winery Ladies of Napa Valley also includes a journal section that aspires “to provide positive reinforcement for daily activities, goals, aspirations and results,” said a news release.

The calendar is sold at Oakville Grocery, Napa bookstores, area wineries, the

Ranch Market in Yountville and other locations. Marino's website, bigshotinwinecountry.net, sells the calendar for \$25.

Marino noted that 10 percent of all proceeds go to veterans at the Veterans Home of California at Yountville.

Women featured in the calendar include: Sara Fowler (winemaker of Peju and Liana Winery), Aimee Sunseri (winemaker from Nichelini winery), Stacy Preiser (proprietor at Shadow Cellars), Marisa Taylor (winemaker of Rutherford Hill Winery), Elizabeth Vianna (winemaker of Chimney Rock winery), Stephanie Demasi (proprietor of Fly Wines), Pam Starr (Owner/winemaker of Crocker & Starr winery), Kathryn Sculatti (Proprietor of Roam Napa Valley cellars), Suzanne Phifer Pavitt (Winemaker and Proprietor of Phifer Pavitt Winery), Shawna Miller (winemaker of Luna Vineyards), Nicole Marino (proprietor of Bigshot in Winecountry & Nicole M. Co.), Helen Keplinger (Winemaker and Proprietor of Keplingerwines.com).
